

## Vertical Lifeline Kit

Our Vertical Lifeline Kit is designed for belaying and to protect against falls from height.

Simple to use, and effective:

- ASAP mobile fall arrester moves up or down the rope without manual manipulation of the device.
- This kit is pre-assembled and ready to use, limiting the risk of assembly error.
- Weight facilitates rope glide in the ASAP over the first few meters.
- Rope Bag allows the kit to be stored and its contents identified.

Includes:

- 11.5 mm Yellow Static Rope (Available in Custom Lengths)
- Heavy Duty Anchor Strap
- 1 Steel Carabiner
- Canvas Edge Protection
- ASAP® LOCK and ASAP® SORBER Lanyard
- 1 ANSI/CE/CSA Carabiner

Certified to ANSI/ASSE Z359.15-2014
